## International Reach

Active in EU policy dialogues, the European Research Area and cross-border cooperation programs, Horizon projects.

## Capacity Building

PhD scholarships, executive education, vocational training and digital skills development.

# Integrating research, public policy and innovation to address complex challenges

## Economic Diplomacy

International partnerships, investment dialogue and strategic economic cooperation.

## Energy Policy

Energy transition, resilience, sustainability and regional policy development.

## Smart City

Urban innovation, smart governance and digital transformation for cities.

## Digital Transformation

AI, digital governance, automation and innovative public digital services.

## R&D Network

Applied research, policy papers and evidence-based institutional analysis.

## Education

Capacity building, lifelong learning, executive education and digital skills.

# Track Record & Milestones

## FLAGSHIP EVENT 2026

# E<sup>3</sup>-GOV Forum 2026

*Bucharest · 23–24 April 2026*

International conference at the Palace of Parliament and the Romanian Academy — bringing together government representatives, energy experts, academics, diplomats and industry leaders from across Europe.

**E<sup>3</sup>-GOV Forum 2026**  
Energy · Economy · Environment  
Bucharest  
23-24 April

New energy policies and operational strategies. Approaches to oil, gas and sustainable energy in the Romanian, European and global context.

23 April 2026, 9<sup>th</sup>-16<sup>th</sup>  
Palace of the Parliament, Senate, "Avram Iancu" Hall

24 April 2026, 9<sup>th</sup>-13<sup>th</sup>  
Romanian Academy House, INCE, "Costin C. Kirițescu" Hall

[www.fdbc.ro](http://www.fdbc.ro)

**E<sup>3</sup>-GOV**  
THINK TANK  
Energy · Economy · Environment Governance

We bring together policymakers, academics, industry leaders, and strategic thinkers to explore contemporary energy challenges and long-term solutions. Through informed dialogue and evidence-based analysis, we aim to foster coherent strategies that strengthen energy security, economic resilience, and sustainable development in an increasingly complex global context.

# Beyond Reconstruction: A Permanent Trilateral Framework

## 1 Reconstruction is the entry point, not the end goal

The Forum uses the urgency of reconstruction as the catalyst for a much larger, durable agenda.

## 2 Stability requires systemic integration

Durable regional stability demands economic, institutional and academic cooperation — working in concert.

## 3 A natural strategic corridor exists

Romania, Ukraine and Türkiye form a complementary trilateral axis in the Black Sea extended region, with convergent interests in energy, logistics and development.

## FORUM STATEMENT

*"The Forum does not ask: how do we rebuild Ukraine?*

*It asks: how do we build a region that works — together, for the long term."*

# Three Spheres. One Integrated Dialogue.

*The Trilateral Forum 2026 is the space where all three spheres converge.*

# Romania • Ukraine • Türkiye: Complementary Strategic Strengths

## ROMANIA

*EU Gateway & Business Hub*

- EU gateway — regulatory & logistical bridge
- EU structural funds access (REGIO, CBC)
- Industrial zones & logistics capacity (Suceava)
- Host country — Suceava & Siret Industrial Park
- ADR Nord-Est — regional development authority

## UKRAINE

*Reconstruction Economy*

- Massive reconstruction investment needs
- Vast industrial & agricultural base
- Active EU integration trajectory
- Strong manufacturing & technical base
- High demand: construction, energy, logistics, tech

## TÜRKİYE

*Black Sea Industrial Powerhouse*

- Major trade & investment partner in the region
- Strong manufacturing & construction capacity
- Key Black Sea maritime & logistics routes
- Active business networks: TOBB, TİAD
- Bridge between European & Asian markets

# Your Company at the Heart of a Trilateral Economic Corridor

## KEY SECTORS FOR B2B COOPERATION

---

- Infrastructure & Construction
- Energy & Renewable Sources
- Logistics, Transport & Corridors
- Digitalization, AI & Smart City
- Industrial Equipment & Materials
- Services, Trade & Commerce

## WHAT YOUR COMPANY GAINS

---

- Direct access to partners & investors in 3 countries
- Entry into EU-funded reconstruction projects
- Free profile on B2B CONNECT AI platform
- High-level networking with officials & institutions
- International visibility across the RO-UA-TK corridor
- Structured B2B meetings at Siret Industrial Park

**PARTICIPATION IS FREE · B2B CONNECT REGISTRATION IS FREE · NO FEES WHATSOEVER**

# The AI-Powered Online Platform for Romania – Ukraine – Türkiye Business Cooperation

B2B CONNECT is a permanent, free-access digital platform that connects companies, investors, chambers of commerce and business associations from Romania, Ukraine & Türkiye — before, during and after the Forum.

## PLATFORM FEATURES

- **Company profile showcase:**  
Present your business, products & services to partners across 3 countries.
- **AI-powered partner matching:**  
Smart algorithms identify the most relevant business opportunities for your profile.
- **Sectoral maps & investment radar:**  
Explore priority sectors, investment flows and business opportunities in real time.
- **Direct messaging & meeting tools:**  
Schedule and manage B2B meetings directly through the platform.
- **Consortium & project builder:**  
Connect with partners to build tenders, consortia and co-investment structures.
- **Reconstruction project pipeline:**  
Access to projects and calls for cooperation in Ukraine's reconstruction economy.

## WHY REGISTER NOW

- **Free forever:**  
100% free access — no subscription, no hidden fees, no commission.
- **Early access advantage:**  
Early registrants get priority visibility in the first B2B matching sessions.
- **Stays active after the Forum:**  
The platform continues operating year-round beyond the October event.
- **Three-country reach, one login:**  
Connect with companies from Romania, Ukraine & Türkiye through one single profile.
- **Link to research & institutions:**  
Direct connection to universities, institutes and public bodies in all 3 countries.
- **Official launch: 20 Oct 2026:**  
Launch ceremony at Siret Industrial Park — be there at day one.
